Luxuries we forget are Luxuries...

Someone else is praying for the things we take for granted ..

Being able to call your Mother....A Full fridge.....Being in good health.....

Clean sheets.....Sleeping through the night.....Coming home to a family ...

Little hands reaching for you.....Peace of mind....A restful Sunday....

Laughing with others Someone genuinely checking in on you.....Fresh air in your lungs and being able to get outside....

Forgive us for rushing through our days and taking the simple wonders around us for granted, open our eyes to see your daily blessings, give us humble hearts that notice, appreciate and cherish what we have before it is gone. Teach us to live each moment with gratitude. **Amen**
