A note from Parish Catechist, Deirdre Hardy.....

Just recently children in Lisheen received the first of two sacraments that they and their parents have been preparing for. I'm sure the gentle ceremony connected them to a real sense of building a relationship where judgement is not the theme, but rather a fulfilment of God's promise that with a desire to make things right all is forgiven and forgotten. A restart to continue growing in the love and spirit of Jesus.

Thank you to Fr. Evin and Ms Hazel for their part in the preparation and on the night.

A prayer for all those preparing for summer tests or exams.

Loving God be with them as they prepare for exams. Thank you for the many gifts and talents you have given them and for the opportunity of education. Calm their nerves and anxiety, help them to remember all that they have studied and to express it clearly and answer the questions to the best of their knowledge. God of Wisdom Guide them, God of peace keep them Calm, God of Understanding help them put things into perspective. We ask these prayers in the name of Jesus friend of students, Amen.
